C2TL	Cold pass standard 2 tier, 300 leg - per metre	10.8 kg/m

TOASTER ANVIL (9 SLICE - FLAT PLATE)

Specifications: TSA1009

Power: 2.15kW

Voltage: 230V

Cooking surface: 330 × 355mm

Dimensions: 355 × 466 × 327mm

Weight: 14kg

Features:

- Adjustable top plate for a variety of food thicknesses
- Drip cup to catch excess fat
- Heat resistant handle
- Robust construction

Model	Description
TSA1009	Toaster - 9 Slice - Flat Plate

PIE WARMER ANVIL STAINLESS STEEL (640mm)

Specifications: PWK0004

Voltage: 230V

Power: 1kW

Dimensions: 640 × 333 × 525mm

Weight: 23kg

Capacity: Approx 30 standard size pies

Features:

- This unit is ideal for use in small supermarkets or fast-food outlets to keep pies warm
- Thermostatically controlled temperature
- Rear sliding doors
- Easily removable crumb tray
- Full stainless steel double wall construction keeps outside wall cool

Model	Description
PWK0004	Pie Warmer - 640mm

HOT DOG ROLLER (11 ROLLER 2200W)

Specifications:

Voltage: 230V, 50Hz
Power: 0.9kW
Dimensions: 580×480×190mm
Weight: 18kg

Features:

- Variable heat control for easy grilling of sausages
- Dual control, allowing front 5 rollers or back 6 rollers to be used independently, or all 11 rollers together
- Fitted with a removable fat tray for easy cleaning

Model	Description
HDR0011	Hot Dog Griller

FLAT TOP GRILL ANVIL (400MM) (ELEC)

Specifications: A – FTA0400

Power: 2.0kW
Voltage: 230V
Grill Area: 355 × 420mm
Dimensions: 373 × 532 × 241mm
Weight: 20kg

Features:

Construction

- Heavy duty 10mm cooking plate for high heat retention
- Grease trough drains into bottom mounted grease collection pan
- Splashback prevents undue grease spattering

Heating

- Rapidly heats up to optimum cooking temperature
- Flat top griller thermostatically controlled up to a max of 300°C
- Egg Griller thermostatically controlled up to max of 180°C
- Element design ensures even heating over entire cooking surface

Egg and bacon grillers are ideal for breakfasts. Use either the egg griller (D) for frying eggs in oil bath or use the combination (E) to fry eggs on one side, sausages, bacon and tomatoes on the other side.

Buy the half flat/half ribbed griddle to give you versatility, use the flat half for bacon and eggs and the ribbed side to give burgers and steaks the authentic grill house look. 10mm mild steel griddle plates.

Model	Description
FTA0400	Flat Top Grill - 400mm
